Gentle Reminders

Please ensure all children have a bag with everyday supplies; change of clothes, nappies, pull-ups, wipes if required and a named drinks bottle. No dresses, tights, lace up footwear or skinny jeans.

At present, children who are experiencing Sickness or Diarrhea need to remain at home for 48 hours, as of January, we will be extending this to 72 hours in line with the schools in the borough.

Unfortunately, lateness is still an issue. Please be aware all children need to arrive by 9.30am. Any children arriving after this time will be unable to attend, the only exception will be a pre-booked medical appointment. If a child requires medication during the day parents must hand any medication to a staff member. It is a safeguarding issue if medicines are left inside a child's bag without notifying an adult.

Nativity

As you are aware the children are busy practising for their nativity play. Please do not buy any costumes or accessories, only the colour clothing you have been notified of will be needed as we will be making accessories ourselves. Parents to arrive at 11:40 on 15th December, no entry after 11:45.

Our Children who attend for Nursery hours will be having a Christmas dinner on the last day of term.

Once again, we thank you for your continued support, we wish you all a Happy Christmas and new year and look forward to welcoming you back in the New year.
